

Made in Springfield

Spring Vacation Creative Arts Program (Ages 5-14) April 16-20, 2018

The J.C. Williams Community Center (JCWCC) Child Enrichment Program is an EEC licensed school-age children program dedicated to offering children a safe and fun environment where they can learn the values of caring, respect, honesty, and responsibility. *Made in Springfield* is a creative arts camp offered during the Spring school vacation. This program is designed to provide quality care that fosters the physical, emotional, cognitive, and social growth of children, while exposing them to prominent sites of art, history, and science in the city of Springfield.
